Hi Somu, I find happiness in sharing my ideas. Now, let me show you another kind of naming word.

- There are some naming words that can be only felt and experienced.
- We can not see or touch them.
- For example, we can not see happiness. But we can feel and experience it.
- These naming words are called abstract nouns.

Here are some examples:

happiness

anger

sadness

jealous

More examples:

honesty wisdom beauty hope luck mercy dream pride life
