LET US SING

Patriotism

Will we live in a country,
Without inner **boundaries**?
Will we treat everyone alike,
Or will we show our dislike?

Will we stick to our **core** in,
Or will we become **foreign**?
Yes, we love our nation,
Divided when seen as persons.

Yes, we have different language,
Yet, our **integrity** shouldn't damage.
Will we make our mother **proud**,
Or be with her like the crowd?

Learn how to be kind,
And love each of her child.
