Activity 2

The following information is collected from 50 students of class V about their grades in exams. Complete the following table from the bar graph.

Grade	Tallymark	No. of students
A	𝍸 𝍸	10
B	𝍸 𝍸 ||||	14
C		
D		
E		

Example 2

In Trichy, GHSS has five different clubs. The data shows the number of students in each club. Use the information to draw a bargraph and answer the question.

Art club	Debate club	Dance club	Drama club	Sports club
28	80	150	100	120

1) Which club has the fewest students? How many?
   Arts club 28
2) How many students are there in art club and debate club?
   28+80=108
3) How many more students are there in the sports club than the drama club?
   20
4) How many students are there in all the clubs altogether?
   478

Activity 3

Take a survey among your classmates on their favourite hobby.
[Clue: Reading, Painting, Gardening, Cooking, Fishing]
